# Asian Tyre Tech CONFERENCE

Executive Conference  
on Tyre Design & Manufacturing

12-13 MARCH 2025  
BITEC, Bangkok, Thailand

## PROGRAM AGENDA

### 12 March 2025 | Wednesday

#### Morning Session | 10am-12pm

- Advancing Sustainability in Tyre Industries involves Optimizing Testing through the Utilization of Rubber Process Analyzer | **Peih-Shyun Wu**, Alpha Technologies, USA
- Alternatives for 6PPD in Tyre Manufacturing : Current Developments | **Dr. Kannika Sahakaro**, Associate Professor, Prince of Songkla University, Thailand
- Advancements in Calenderless Tyre Manufacturing Technology | **Hemant Agrawal**, Business Dev Manager (APAC), The Steelastic Co, USA
- Increasing the Processability and Performance Characteristics of Natural Rubber Containing Compounds | **Colin Clarke**, Director Technical Sales, Schill + Seilacher "Struktol" GmbH, Germany

#### Afternoon Session | 2pm-4pm

- DPG Elimination and Silica Compound Optimization | **Dr. Rikki Lamba**, Managing Director - Additives, Polymer Solutions Group, USA
- PCR Curing Press + Electrical Curing Technology : HF Group Innovations | **Kevin Rolfe**, Senior Account Manager, HF Group, Germany
- GRP Innovative Sustainability Solutions for Tyre Industry | **Kalyan Das**, Head - Sales & Business Development, GRP Ltd., India
- Challenges in Silica-Silane-Natural Rubber Mixing for Tyre Compounds | **Dr. Kannika Sahakaro**, Associate Professor, Prince of Songkla University, Thailand

### 13 March 2025 | Thursday

#### Morning Session | 10am-12pm

- High performance Radial Truck /Bus tire tread using Engineered Carbon Black | **Dr. Abhijit Adhikary**, AVP (Technical), BKT Carbon, India
- New Developments and Solutions for Silica Mixing and Beyond | **Midge Spiekermann**, Regional Sales Manager-Asia, HF Mixing Group, Germany
- Can Zinc Oxide be Sustainable? Exploring Eco-friendly Activators | **Dr. Rounak Ghosh**, General Manager - Research & Development, JG Chemicals Ltd., India
- Chemical Weighing Solutions for Tyre Compounding Plants | **Luca Mariuzzo**, Sales Manager, LAWER SpA, Italy

#### Afternoon Session | 2pm-4pm

- Different Viewpoints on Sustainability – A Process Additive Perspective | **Colin Clarke**, Director Technical Sales, Schill + Seilacher "Struktol" GmbH, Germany
- Intelligent Tyres Commercialization Case Study: Cerebrum Sensor | **Arthur Mayer**, Director, Zephyr Research Partners, USA
- Latest Developments in EUDR Regulations: Impact on Rubber & Tyre Industries | **Korapat Jayaphorn**, Sustainability Specialist, Preferred by Nature, Thailand
- Round-Table Discussion - Future of Tyre Industry

# **Asian Tyre Tech** **CONFERENCE**

**Executive Conference  
on Tyre Design & Manufacturing**

**12-13 MARCH 2025**  
BITEC, Bangkok, Thailand

## **SPEAKERS**

Midge Spiekermann

Luca Mariuzzo

Kalyan Das

Peih-Shyun Wu

Hemant Agrawal

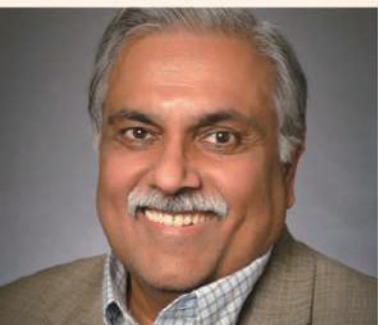

Colin Clarke

Brad Pentzien

Dr. Kannika Sahakaro

Dr. Rikki Lamba

Kevin Rolfe

Dr. Abhijit Adhikary

Arthur Mayer

Korapat Jayaphorn

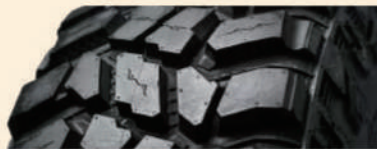

Dr. Rounak Ghosh

**12-13 MARCH 2025**  
BITEC, BANGKOK, THAILAND

Co-Located at

#### **Delegate Registration Fee**

- Thailand Delegates: 12,000 Baht/Person
- Overseas Delegates: 500 US\$/Person

Remarks: The registration fee includes lunch and refreshments. VAT 7% applies to registration fees.

**Conference Language :** ENGLISH

#### **Program Agenda** (Both Days)

- Morning Session : 10am to 12pm
- Afternoon Session : 2pm to 4pm

**Venue:** BITEC, 2nd Floor, Bangkok

#### **Delegate Registration**
