NL801/NL802 Stainless steel piglet feeder

Description

- Stainless steel piglet feeder is made of S.S304
- Push and turn bottom for any slotted flooring
- Easy to empty and clean and will last forever
- Can be used for feed or drink
- Zinc or plastic handle is available
- Single, double or "J" hook is available

Code	Spec.
NL801-1	Diameter 23 x 12cm deep
NL801-2	Diameter 30 x 4cm deep
NL802	Diameter 30 x 4cm deep

NL803 Cast iron push button drinking bowl

Description

- Big enough for sows. Small enough for weaners
- Easy to clean
- Simple to operate
- Cheap as can be
- Simple push-button operation is trouble free, and leaves the bowl clear for easy removal of straw ordirt
- Integral flow control in valve
- Cast iron bowl with brass valve
- Bowl opening 12cm x 15cm
- Weight: 2.1kgs

NL804 S Cast iron drinking bowl

Description

- Cast iron drinking bowl with black powder coating
- Smooth surface and edge protect animal cutting
- With professional brass valve systems
- Stainless steel hook easy for assembling
- Save water
- Two pieces with one neuter box
- Weight: 2.90kgs

NL805 M Cast iron drinking bowl

Description

- Cast iron drinking bowl with black powder coating
- Smooth surface and edge protect animal cutting
- With professional brass valve systems
- Stainless steel hook easy for assembling
- Save water
- Two pieces with one neutral box

NL806 Plastic drinking bowl

Description

- Plastic drinking bowl with UV additive
- With brass valve systems
- Economy drinking bowl ideal for pigs, goats, deers
- Stainless steel hook easy for assembling
- Kinds of color is available (normal color green or black)
- Packaging: 2pcs per neutral box
- OEM packaging is available

NL807 Enameled drinking bowl

Description

- Cast iron drinking bowl with strong brass valve systems
- Production finishing: powder coating
- Smooth finishing, round edge
- Flip paddle safety and suitable for animals
- Professional design easy for cleaning
- Capacity: 2L
- Packaging: Each piece with one neutral box
  Wooden pallet or wooden case packaging

NL808 Plastic drinking bowl

Description

- Plastic drinking bowl with UV additive
- With stainless steel nipple drinker
- Save water
- Professional hook easy for assembling
- Stainless steel netting filter

NL821 Water bowl

Description

- Capacity: 2.5L
- Material: PP+UV or Nylon
- Connect thread: 1/2" BSP or 1/2" NPT
- Water inlet connector top or bottom is available
- Color: normal color green
- We can also produce any color according to client's demand

NL809-4	G.W.: 14KGS (130 x 80) x (96 x 45) x 62 380L 100.39 US gal

NL852 Automatic trough valve

Description

- This water filler clips over any trough or similar
- The attachment bracket opening to 50mm
- Ideal for a small farm or temporary water supply
- Features a standard water tap quick fit connection
- The water level settings are set by adjusting the bracket with two settings possible

NL811 Adjustable dog feeding bowl

Description

- Material: square steel tube(25 x 25 x 1mm) with powder coating
- Color of powder coated is available(normal color: black)
- Adjustable distance from 15cm to 35cm
- Each set with two stainless steel bowl
- Diameter of stainless steel bowl: 25cm
- Thickness of stainless steel sheet: 0.5mm
- Size: 35 x 35 x 42cm
- Detachable feeding bowl saves space
- Packaging: each set with one neuter box, 4 boxes per carton
- OEM packaging is available

NL812 Wall type dog feeding bowl

Description

- Material: square steel tube(25 x 25 x 1mm) with powder coating
- Color of powder coated is available(normal color: black)
- Adjustable distance from 15cm to 35cm
- Each set with two stainless steel bowl
- Diameter of stainless steel bowl: 21cm
- Thickness of stainless steel sheet: 0.5mm
- Size: 35 x 35 x 42cm
- Detachable feeding bowl saves space
- Packaging: each set with one neuter box, 4 boxes per carton
- OEM packaging is available

NL845 4L Milk bucket

Description

- The thickening design body of the bucket uses medical grade and new material with long durability
- The nipple is made of food grade material with non-toxic and tasteless, safety and health guaranteed
- Material: PP
- Volume: 4L
- Net Weight: 0.81 kg
- Dimension: 21 x 23.5 x 22cm

NL846 Feeding bucket with screw valve

Description

- Material: PP
- Complete with super-teat and valve
- With impressed measuring scale and metal handle
- Acid-proof,food-proof,easy to clean
- Dimension: 8L D28 x H31cm
- Teats for calf & lamb available for choice
